

**MINUTES OF THE EIGHTH MEETING OF THE STEERING COMMITTEE ON
INTEGRATED WATERSHED MANAGEMENT PROGRAMME (IWMP) HELD ON
28.10.2009 UNDER THE CHAIRMANSHIP OF SECRETARY (LR) AT NBO
BUILDING, NIRMAN BHAVAN, NEW DELHI**

The 8th meeting of the Steering Committee on Integrated Watershed Management Programme (IWMP) was held on 28.10.2009 under the chairmanship of Secretary (LR) at NBO Building, Nirman Bhavan, New Delhi. The list of participants is at Annexure-I. The 7th meeting of the Steering Committee was held on 30.09.09.

The Secretary (LR) welcomed the participants and requested the Programme Officers of the DoLR to present the proposals received from the States to the Committee. The Director (DDP) informed the Committee that proposals of 8 States have been received in the Department and are yet to be appraised in the Committee out of which State Perspective & Strategic Plan and Preliminary Project Reports submitted in respect of new projects under IWMP by the SLNAs of Arunachal Pradesh, Gujarat & Maharashtra are being placed before the Committee on 28.10.09. The status of rest 5 States are as below.

Mizoram and Manipur had furnished only PPRs for 6 and 3 Districts, respectively, and the SPSP & districtwise GIS maps are not yet submitted. Uttar Pradesh and Jharkhand have furnished the SPSP & PPRs but the GIS maps are yet to be furnished by the States. The proposal of Chhattisgarh for additional 12 projects has been received on 26.10.2009 and is yet to be scrutinized.

Regarding the presentation on Arunachal Pradesh, the Programme Officer informed that out of 3936 treatable micro-watersheds in the State, 605 micro-watersheds have been covered under various watershed schemes. The balance treatable micro-watersheds are 3331 for which the State has prepared a plan to cover these under IWMP during the remaining period of XI Plan and next three Five Year Plans. During 2009-10, the State has proposed to treat 183 micro-watersheds over an area of 1.48 lakh ha against the allocated target of 0.60 lakh ha.

During the discussion, the State representative from Arunachal Pradesh requested the Committee that the central funds under IWMP be released to the SLNA instead of releasing the funds to DRDAs for smooth implementation and monitoring of the programme. The State representatives from Gujarat and Maharashtra also requested for

release of project funds to SLNA for better implementation. The Chairman suggested that requests to this effect, from the Chief Secretary of the respective States, may be forwarded to DoLR for further consideration.

Regarding the implementation of ongoing pre-IWMP projects in Arunachal Pradesh, the Chairman pointed out that the performance was very poor and the State should take necessary steps to expedite the implementation and completion of these projects.

On the livelihood interventions, the Committee stressed on value addition for better income in the rural areas and training in IT, internet use, etc. so that rural youth will be able to keep pace with the developments in the urban areas. Further, the Committee also suggested engaging an expert agency which can help in designing the rural products for better market demand.

On the expected outcomes, the Committee suggested the State representative to rework all the data and project realistic targets in the DPRs alongwith the source of data.

After considering the district-wise proposals, the Committee appraised and approved 13 projects over an area of 68255 ha for the year 2009-10 for Arunachal Pradesh.

Regarding the presentation on Gujarat, the Programme Officer informed the Committee that 68 projects covering an area of 3.30 lakh ha. had been appraised and approved under IWMP to Gujarat in the 4th Steering Committee meeting held on 16.09.09. The State has now proposed for additional 85 projects covering an area of 3.78 lakh ha. under IWMP for implementation during 2009-10. The Committee appreciated the efforts made by the State for applying modern scientific tools in planning.

The Committee suggested the State representatives to explore possibilities of market linkages with the industries for the products made by the SHGs for sustainable incomes.

After the presentation of district-wise proposals, the Committee approved all the projects with a suggestion to club/restructure IWMP-6 project in Patan District and IWMP-VII & IX in Surendra Nagar District as these projects are covering small areas.

After considering the district-wise proposals, the Committee appraised and approved additional 85 projects over an area of 3.78 lakh ha for the year 2009-10 for Gujarat. Further, the Committee informed the Principal Secretary (RD), Gujarat that the funds for these additional projects will be released after taking stock of the demands received from other States.

The Programme Officer thereafter made a presentation on the proposals submitted by Maharashtra. It was informed that the SPSP and PPRs of Maharashtra were appraised by the Committee in its 5th meeting held on 18.09.09 and the State was advised restructuring the projects to manageable sizes, exclusion of areas under reserve forests, assured irrigation, industries, etc. and to furnish clear maps indicating the areas to be taken up in different Plans as proposed by the State. Accordingly State has now furnished the proposal with revised size of the projects.

Regarding the release of central funds for IWMP projects, the Principal Secretary, Maharashtra was informed that the existing system of releasing funds from DoLR to DRDAs will continue till a policy decision is taken regarding release of project funds under IWMP directly to SLNAs.

The Principal Secretary, Maharashtra further requested that the Watershed Cell at District level may be created in the DWDUs already created in the State, rather than in the DRDA. The Committee informed that the issue will be taken up shortly in the next meeting of the Executive Committee of NRAA.

After considering the district-wise proposals, the Committee appraised and approved 243 projects over an area of 9,95,889 ha for the year 2009-10 for Maharashtra.

Thus the Committee, after examining the proposals, approved 13 no. of projects in Arunachal Pradesh over an area of 68,255 ha, 85 additional projects in Gujarat over an area of 3,77,722 ha and 243 projects in Maharashtra over an area of 9,95,889 ha. However, the Committee recommended that the funds for 13 no. of projects in Arunachal Pradesh over an area of 68,255 ha & 140 projects in Maharashtra over an area of 5,71,084 ha may be sanctioned in the first instance and the funds for 85 projects in Gujarat & 103 projects in Maharashtra may be sanctioned after taking stock of demands received from other States.

**PROJECTS APPRAISED AND APPROVED BY STEERING COMMITTEE –
DoLR UNDER IWMP ON 28.10.2009**
