**3. Arunachal Pradesh**

(i) The Joint Director (Rural Development), Arunachal Pradesh made the presentation on performance of the IWMP projects sanctioned to State during 2009-10 and proposals for 2010-11. An area of 0.91 ha for the year 2010-11 has already been appraised & cleared by the Committee in its 14<sup>th</sup> meeting held on 01.09.2010. The State has proposed for an additional area of 0.48 lakh ha in the current meeting of the Committee.

(ii) The committee observed that the presentation made by the State representative did not include the mandatory details like strategy for implementation of works, capacity building plan, livelihood, etc. Hence the Committee recommended the State representative to work out the required details and resubmit the proposal in the prescribed formats in 7 days time. Some photographs of the works carried out under EAP so far may also be included in the presentation. The Joint Director assured that the revised proposal will be submitted in 7 days time. The Committee also observed that the State has incurred an expenditure of Rs. 1.87 crore against the available fund of Rs. 0.91 crore for the purpose of capacity building. Even after exceeding the allocated limits of the funds, the State has underachieved in terms of physical targets under capacity building. The SLNA need to clarify the observations before coming for the fresh presentation for these proposals.

(iii) Though the DPRs for all the 13 projects sanctioned during 2009-10 have been prepared, the same are yet to be uploaded on the departmental website. The Committee advised the Joint Director to upload the DPRs of these projects on their departmental website and intimate the same to the Department of Land Resources.

(iv) The CCA, MoRD pointed out that as observed from the ASAs for the ongoing IWDP projects, payments are being made in cash for different items of work in Upper Subansiri District. The Committee advised that all payments should be made through cheques.

(v) The Committee authorized Secretary (LR), the Chairperson of the Steering Committee, to clear the revised proposal of the SLNA, if the same is found in order and received in 7 days time.
