## **VISION MISSION**

### **VISION**

To ensure sustainable improvement in productivity and livelihood / income potential of land, in particular rainfed cultivated areas and culturable wastelands.

To develop an appropriate integrated land information management system, which will *inter alia* improve real-time information on land, optimize use of land resources and assist in policy / planning.

### **MISSION**

The mission of the Department is to ensure sustainable development of rainfed cultivable and degraded lands through a participatory approach by involving the stakeholders in decision making in the watershed development programmes. It makes a concerted effort to enhance the productivity of wastelands thereby enhancing livelihood opportunities in rural areas.

The Department also has the mission to put in place effective agrarian reforms, including an efficient land use policy, and a transparent Land Records Management System (LRMS) with the aim of bringing in the system of conclusive titling and title guarantee. The LRMS will provide the foundation for building an accurate LIS for the entire country.

## Indicative Expectations from Service Recipients

S.No.	Indicative Expectations from Service Recipients
1.	State Governments should establish State Level Nodal Agency (SLNA) and other institutional structures as per Guidelines (available at <a href="http://www.dolr.nic.in">www.dolr.nic.in</a> ) and oversee overall implementation of watershed projects through SLNA.
2.	State Governments should ensure that all sanctioned posts are filled, that personnel posted in the institutions are not transferred frequently so that they get reasonable tenure to do the work efficiently, and that there is correlation between expertise/experience and nature of the job.
3.	State Governments should submit regular reports and returns and should promptly update the State/Central databases with regard financial and physical data on the portal/website for the purpose, including expenditures
4.	SLNA should prepare a perspective and strategic plan of watershed development for the State on the basis of plans prepared at the block and district level and indicate implementation strategy and expected outputs / outcomes, financial outlays and submit it along with Preliminary Project Reports (PPRs) prepared by the Districts to DoLR for appraisal and clearance of projects by the Steering Committee.
5.	SLNA should sanction projects for the State on the basis of projects appraised by the Steering Committee, and should release the State share timely.
6.	SLNA should communicate the financial sanction of the projects to WCDCs and the PIAs and provide technical support to them
7.	SLNA should ensure preparation of technically sound Detailed Project Reports (DPRs) for the projects sanctioned, and submit Annual Action Plans to DoLR.
8.	SLNA should provide technical support to PIAs from time to time.
9.	SLNA should establish monitoring, evaluation and learning systems at various levels including on-line monitoring.
10.	SLNA should prepare State specific Process Guidelines, Technology Manuals etc. in consultation with the DoLR/ NRAA/ Resource Organizations and operationalise the same.
11.	SLNA/ State Government should ensure timely submission of complete proposals for release of funds for ongoing projects under DDP, DPAP, IWDP and IWMP. The complete proposal would mean a proposal from SLNA/ State along with all the requisite documents required as per norms issued by Watershed Division, from time to time, and admissible to Integrated Finance Division as a 'complete proposal' worth financial concurrence without seeking any further details or clarifications.
12.	States/UTs should ensure timely preparation of State/UT Perspective Plan for the NLRMP

Citizen's / Client's Charter for Department of Land Resources)

S.No.	Indicative Expectations from Service Recipients
13.	States/UTs should ensure timely submission of complete proposals seeking release of funds for districts and for the NLRMP Cell/Centre under the programme. The complete proposal under the NLRMP would mean a proposal from the State/UT Revenue Department in the prescribed proforma along with all the requisite documents and other information sought by Land Reforms Division, from time to time.
14.	States/UTs should ensure timely release of funds (Central and State share) to the implementing agencies under the NLRMP
15.	States/UTs should ensure transparency & accountability in the project implementation and should submit reports/returns to the Ministry as per requirements of the scheme on time, and also update the State and Central databases with respect to physical and financial data, including expenditures
16.	States/UTs should ensure constitution of the State Level Monitoring Committee at State level and organize its regular meetings to monitor and review progress of the NLRMP.
